

Life Insurance Financial Evaluation

Powered by Proformex

Is your life insurance drowning and you don't even know it? Throw it a Bespoke (Life) line!

Bespoke (LIFE) provides you an annual physical on all of your life insurance policies. Whether it's term and how many more years are left on your guarantee period or a permanent cash value policy we tell you where you are today and where your policy is projected to go into the future.

We even let you know if the policy you purchased 10 years ago is still the one which will meet your needs for tomorrow.

So pull that old policy out of the safe deposit box, dust it off and let bespoke life give it a check up!

Don't own life insurance?? Let Bespoke (LIFE) create a customized plan that will meet your needs and those of your family for today, 10 years from now and throughout your retirement.

Are you taking advantage of all the benefits today's life insurance has to offer?

- Ability to pay long term care expenses from your life insurance policy?
- Acceleration of your death benefit for serious accidents and illnesses that may leave your family without income?
- Guaranteed income for life in retirement from the cash value of your policy?
- Potential Tax-Free distributions from the cash value of your policy to help pay for healthcare expenses when you are retired?
- Term insurance that provides living benefits, guaranteed premium options and the ability to convert to a permanent policy sometime down the road?
- Guarantee death benefit options that will pay out to 120 for those of you with longevity in your family tree?
- Guaranteed Premium payments that will stop at age 65 or earlier so you can have confidence that life insurance premiums won't be a concern once you are retired?

And of course, today's policies still have the same overall purpose of providing for your family if something should happen to you unexpectedly?

Bespoke life is now available to employers to offer as an employer paid or employee voluntary benefit.
